

FLORA FLORÖIENSIS

1 AUG. 1943

Flora Floöriensis

Förteckning ^{eller} öfver de på Floö
vidväxande

Kärlkrypsrogamer och Farnrogamer.
systematiskt

av
T. S.

Asplenium septentrionale 46

Holcus lanatus 46

Phragmites communis 46

Sparganium ramosum 46

Potamogeton natans 46
" *pusillus* 46

Poa compressa 46

Testuca elatior 46

Cystopteris fragilis
Dryopteris Filix mas
" *austriaca*
" *spinulosa*
" *Phlegopteris*
Atypium Filix femina
Asplenium Trichomanes
Polypodium vulgare
Equisetum arvense
Pinus silvestris
Picea excelsa
Juniperus communis
Typha latifolia
Zostera marina
Potamogeton perfoliatus
Triglochin maritimum
Alisma Plantago-aquatica

Anthoxanthum odoratum
Milium effatum
Alopecurus geniculatus
Agrostis tenuis
Agrostis Canina
Deschampsia cespitosa
Aira flexuosa
Avena pratensis
Arrhenanthum elatum
Securigia decumbens
Molinia coerulea
Briza media
Dactylis glomerata
Poa pratensis
" *nemoralis*
Puccinellia maritima
Glyceria fluitans
Festuca ovina

Tolium perenne 46
Eriophorum vaginatum 46
Scirpus lacustris 46

Carex disticha 46
" *vesicaria* 46

Juncus supinus 46
" *bufonius* 46

Asparagus officinalis 46
Majanthemum bifolium 46

Rumex acetosa

Polygonum hydropiper 46

Sagina procumbens 46
" *subulata* 46

Festuca rubra
Agropyron repens
Elymus arvensis
Eriophorum polystachion
Scirpus maritimus
" *palustris*
Carex contigua
" *annua*
" *leporina*
" *Leersii*
" *gracilis*
" *Goodenowii*
" *Racca*
" *panicca*
Juncus effusus
" *conglomeratus*
" *alpinus*
" *Gerardi*
Fuzula multiflora
Allium vineale
" *oleraceum*
Polygonatum officinale
Convallaria majalis
Platanthera bifolia
Salix alba x fragilis
" *cinerea*
" *aurita*
" *aurita x repens*

Salix repens
Corylus avellana
Alnus glutinosa
Ulmus scaber
Rumex crispus
" *acetosella*
Polygonum amphibium
" *aviculare*
" *convolvulus*
Chenopodium album
Atriplex prostratum
" *halimifolius*
" *litorale*
" *patalum*
Suaeda maritima
Stellaria media
" *graminea*
Cerastium cespitosum
Sagina nodosa
Arenaria serpyllifolia
Spergula arvensis
" *salina*
Scleranthus perennis
" *annuus*
Viscaria vulgaris
Silene maritima
" *rustris*

Nymphaea candida 46

Ranunculus repens 46
" *flammula* 46

Sinapis arvensis 46
Capsella bursa pastoris 46
Sisymbrium officinale 46

Tilaea aquatica 46

Crataegus monogyna 46

Fragaria collina 46

Geum urbanum 46

Alchemilla pastoralis 46

Rosa villosa 46

Trifolium hybridum 46

Silene nutans

Lychnis flos cuculi

Dianthus deltoides

Anemone nemorosa

Ranunculus acris

Thalictrum minus

Lepidium radiale

Cochlearia officinalis

Cahile maritima

Crambe maritima

Drosera rotundifolia

Sedum Telephium

" *album*

" *acre*

" *rupesire f. reflexum*

Ribes grossularia

" *rubrum var. pubescens*

Cotoneaster integerrima

Pyrus Malus

" " *var. mitis.*

Sorbus suecica

" *aucuparia*

Crataegus curvisepala

Rubus idaeus

" *plicatus*

" *saxatilis*

Fragaria vesca

Potentilla palustris

" *argentea*

" *erecta*

" *anserina*

Geum rivale

Filipendula ulmaria

Alchemilla alpestris

Agrimonia eupatoria

Rosa glauca

Prunus spinosa

Medicago lupulina

Melilotus altissimus

Trifolium repens

" *arvense*

" *pratense*

Lotus corniculatus

Vicia tetrasperma

" *silvatica*

" *cracca*

Lathyrus pratensis

Geranium sanguineum

" *molle*

" *pusillum*

" *Robertianum*

Linum catharticum

Euphorbia palustris

" *Peplus*

(Hypericum)

Malva moschata 46

Viola epipsila 46
" palustris 46

Epilobium montanum 46
" palustre 46

Vaccinium vitis idaea 46

Erica tetralix 46

Trientalis europaea 46

Anagallis arvensis 46

Lysimachia vulgaris 46

Veronica serpyllifolia 46

" chamaedrys 46

Utricularia minor (steud.) 46

Plantago media 46

Euphorbia Helioscopia

Empetrum nigrum

Hypericum perforatum

Viola canina

" tricolor

Zythrum Salicaria

Epilobium collinum

Chamaenerion angustifolium

Hippurus vulgaris

Anthriscus silvestris

Torilis Anthriscus

Carex canis

Pimpinello saxifraga

Aethusa Cynapium

Angelica silvestris

Cornus saucica

Vaccinium uliginosum

" myrtillus

Calluna vulgaris

Glaux maritima

Nanumburgia thyrsiflora

Armenia maritima

Statice humilis

Fraxinus excelsior

Ligustrum vulgare

Menyanthes trifoliata

Cuscuta halophyta

Convolvulus arvensis

" Serpium

Anchusa officinalis

Myosotis caespitosa

" arvensis

Scutellaria galericulata

Glechoma hederacea

Tranella vulgaris

Galioptis Tetralix

Lamium purpureum

Lycopus europaeus

Mentha arvensis

Salanum Dulcamara

Verbascum Thapsus

Linaria vulgaris

Scrophularia nodosa

Veronica officinalis

Euphrasia brevipila

Utricularia neglecta

Plantago major

" lanceolata

" maritima

Galium aparine

" uliginosum

" palustre

" boreale

Succisa pratensis

46 *Hieracium pilosella*
Hieracium vulgatum 2

Chrysanthemum leucanthemum 46

Cirsium palustre 46

Galium verum
" *mollugo*
Viburnum Opulus
Lonicera periclymenum
Valeriana excelsa
Knautia arvensis
Campanula rapunculoides
" *rotundifolia*
" *persicifolia*
Solidago virgamna
Aster tripolium
Antennaria dioica
Achillea millefolium
Matricaria inodora
Artemisia Absinthium
" *vulgaris*
Tussilago Farfara
Senecio vulgaris
" *viscosus*
" *Jacobaea*
Arctium Lappa
Cirsium lanceolatum
" *arvense*
Antennaria Jacea
Lapsana communis
Leontodon autumnalis

Scorzonera humilis
Taraxacum officinale
Sonchus arvensis
" *oleraceus*
" *asper*
Hieracium umbellatum
